

## Press release

November 8<sup>th</sup> 2007

Handheld have been selected Growth Company of the year!

*The Handheld Group have been selected Growth Company of the year in its region of Sweden. The CEO and Chairman of the Handheld Group Jerker Hellström accepted the award at a ceremony in Lidköping, Sweden on the evening of November 7<sup>th</sup>. The prize is being allotted yearly to the enterprise that has had the strongest growth combined by retained profitability.*

*"We are very proud and happy to accept this award. We are growing very fast and next year seems to be a great year for us as well. The timing of being selected growth company of the year is also perfect, since we are hiring new personnel at the moment" says Jerker Hellström, CEO and Chairman of the Handheld Group.*
